

- 1) 1 question on Block diagram
- 2) 1 Question on signal flow graph
- 3) Question on find to find pole, zero, order & characteristic eqn of given T.F
- 4) Determine T.F for given Pole zero plot
- 5) Routh array method to find the stability
- 6) To Find K_p , K_v , K_a and e_{ss} for given T.F
- 7) To find out peak time, rise time, settling time and Peak overshoot for given function
